AURORA D' ANDREA

THE CONCEPT PAGE

Sensazione di freschezza e leggerezza estiva giocando con i tessuti e adoperando drappeggi che danno un'illusione ottica distintiva e trasparenze che permettono di simulare un effetto quasi bagnato quando indossato.

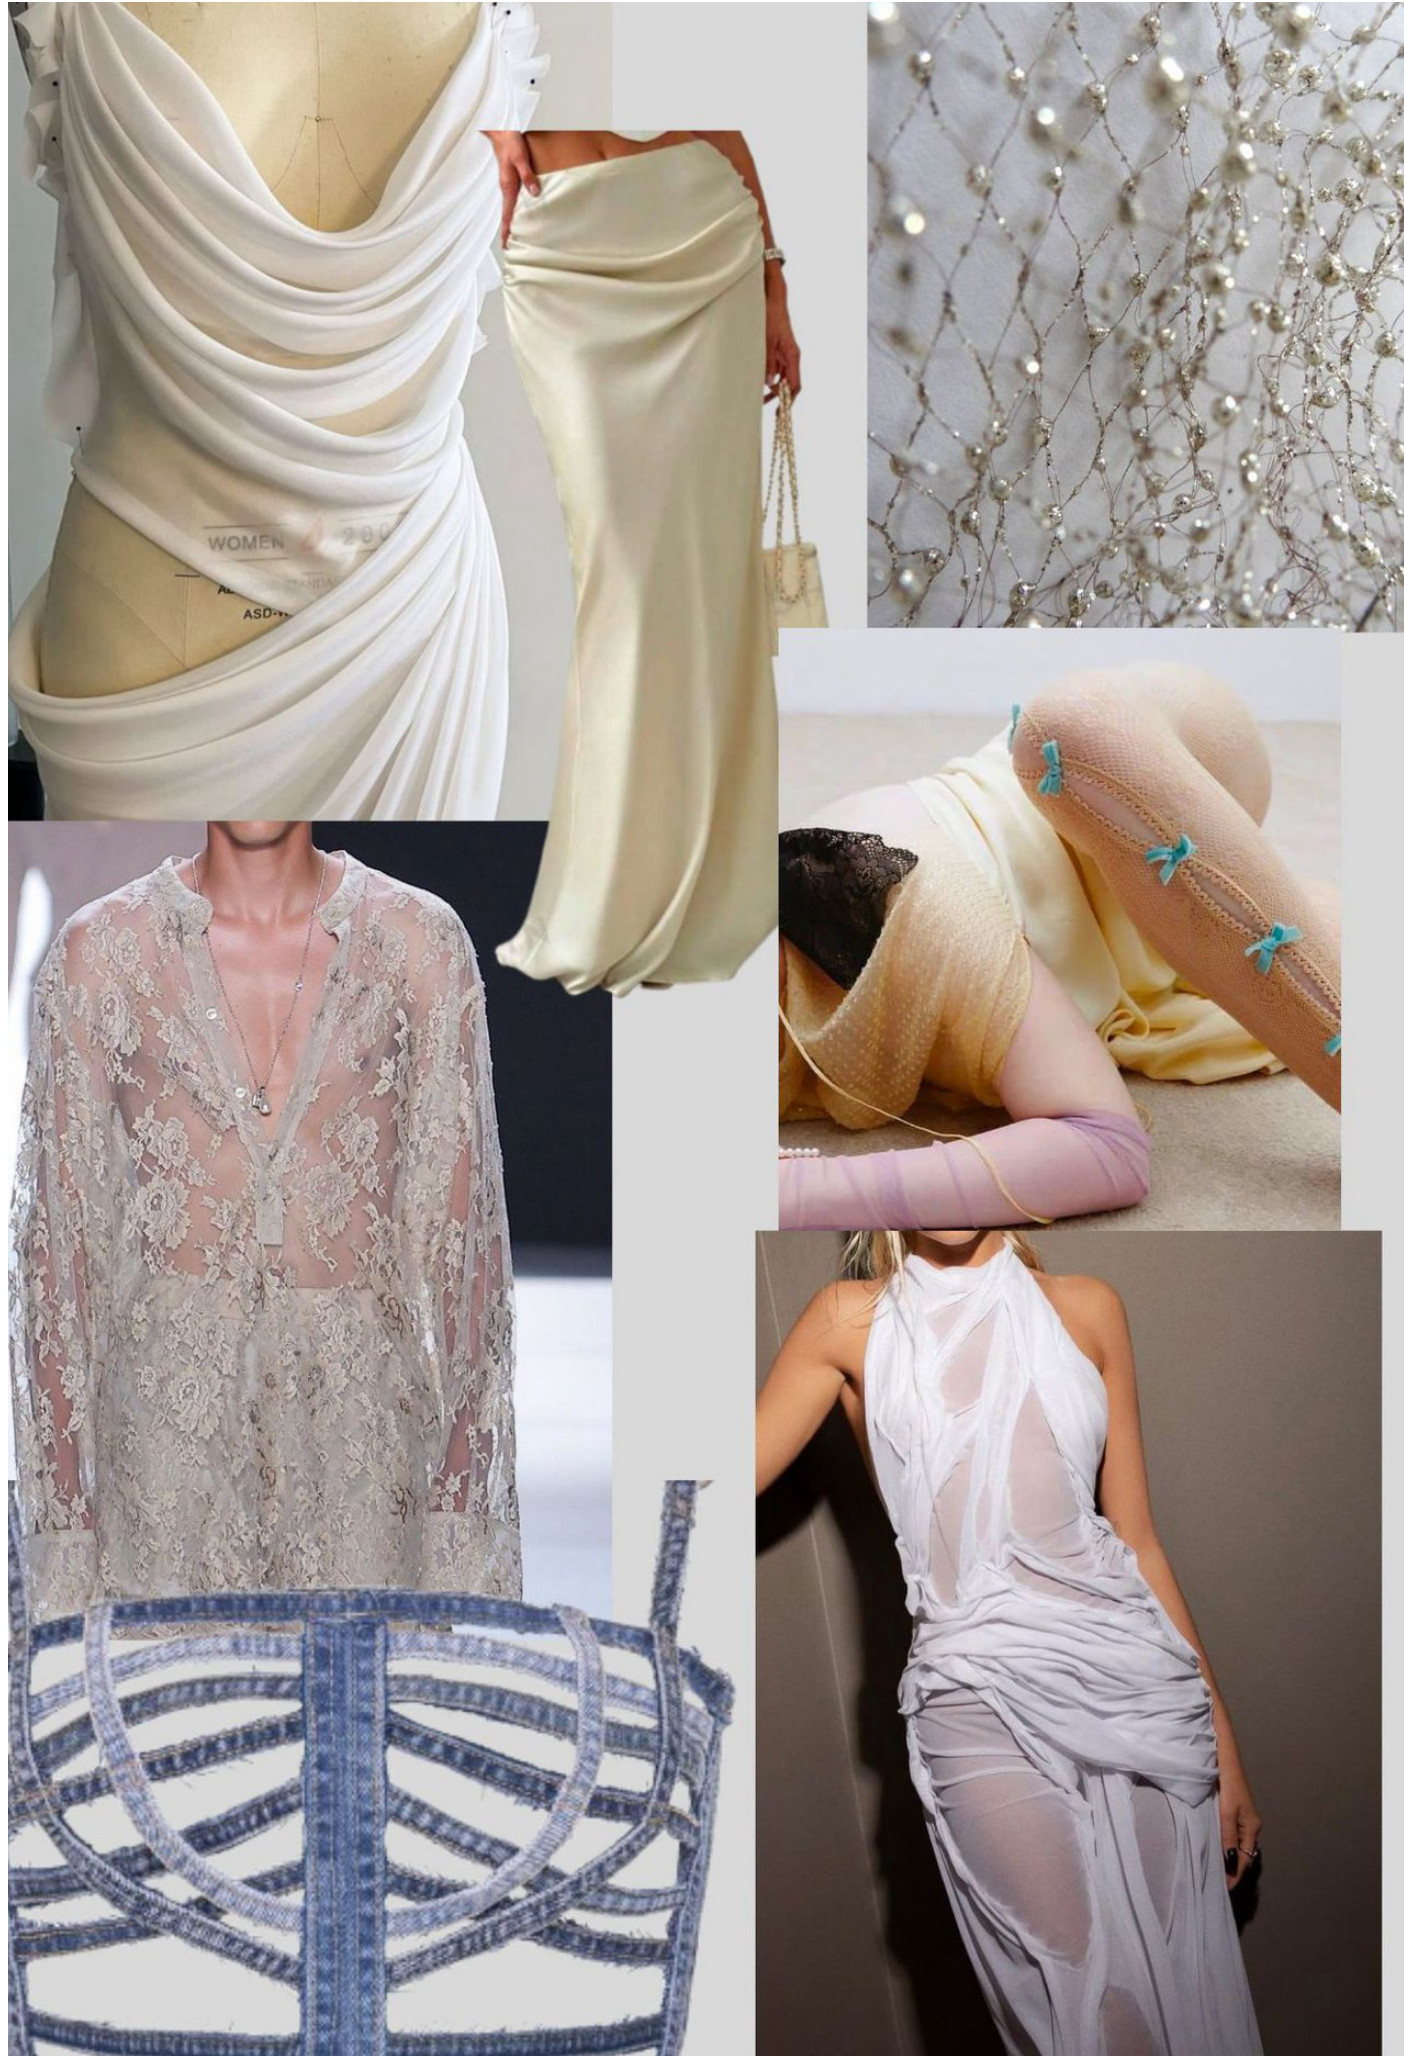

Look audaci e un carattere distintivo grazie all'unione di tessuti leggeri e freschi, a tessuti come il denim.

I colori candidi sono perfetti per la stagione, accesi e luminosi.
